Bucket Filler Cheer

Fill your bucket
Fill your bucket
Fill your friend's up too
Fill those buckets
Fill those buckets
That's what UPstanders do

Don't you dip
Don't you dip
Don't you be unkind
We fill buckets
We fill buckets
It feels great you'll find

Use your lid
Use your lid
Don't let others dip
Lids protect you
Lids protects you
That's my bucket filler tip
