

I've Got A Lid Song by Red Grammer

<https://youtu.be/JcokPH1ea1E>

I've got a lid, I know how to use it,
I've got a bucket of love, and I don't want to lose it,
If someone comes around here, dipping in, I refuse it,
Cause I've got a lid, I've got a lid

I'm not willing for the good stuff filling my bucket to be taken

Away from me so easily

So I start thinking about the person who sinking their dipper into my light

When I look in their eyes, it's an empty bucket inside. (That's why....)

I've got a lid, I know how to use it,
I've got a bucket of love, and I don't want to lose it,
If someone comes around here, dipping in, I refuse it,
Cause I've got a lid, I've got a lid.

The simple fact is, a person who dips has got a bucket that need filling,

When they dip they're trying to fill a hole inside 'em...

They think they're filling their bucket, but nothing could be further than the truth,

It's so clear to see, it's all about them not me. (That's why...)

We've all got lids, we've got to learn how to use them,
We've got buckets of love, and we don't want to lose them,
If someone comes around here, dipping in, we refuse them,
Cause we've got lids, we've all got lids.

I've got a lid, I know how to use it

I've got a bucket of love, and I don't want to lose it,

If someone comes around here, dipping in, I refuse it,

Cause I've got a lid, I've got a lid.
