

Project Cornerstone and the **YMCA** celebrate who you are in this world. Share what you like about yourself with a caring adult, sibling or family member.

Take time to:

- Embrace what makes you unique.
- Identify your strengths.
- Celebrate your accomplishments.
- Ask your family where you came from.
- Stand tall and be proud of who you are.

Developmental Asset #41 — POSITIVE CULTURAL IDENTITY: Youth feels comfortable with and proud of their identity.
